

ANT24-0800

- 8dBi Signal Gain to Increase the Range of Your Wireless Device
- Waterproof Wall-Mountable Design for Outdoor Use
- 360° of Expanded Coverage
- Works with 802.11b and 802.11g Compliant Devices

2.4GHz Omni-Directional **Outdoor Antenna**

D-Link introduces the 2.4GHz Omni-Directional Outdoor Antenna (ANT24-0800), designed to provide increased coverage for existing 802.11b or 802.11g networks.

The ANT24-0800 offers 360° of expanded coverage, effectively improving data throughput at farther distances. The D-Link Antenna also helps improve signal quality, reducing dead spots in your wireless coverage.

D-Link's 2.4Ghz Outdoor Antenna's omni-directional design gives you increased wireless signal range in all directions, making it ideal for Wireless Distribution System (WDS) applications. Its powerful omni-directional design can effectively redistribute a wireless signal to multiple remote locations.

The ANT24-0800 includes a sturdy base for wall installation and a waterproof design to resist harsh weather conditions. The package also includes a surge protector and waterproof tape for outdoor mounting to help ensure total durability.

D-Link's 2.4GHz Omni-Directional Outdoor Antenna is a robust solution for expanding your wireless coverage. By reducing dead spots in your wireless coverage and improving signal quality, D-Link's 2.4GHz Omni-Directional Outdoor Antenna (ANT24-0800) provides extended coverage for existing 802.11b and 802.11g networks.

2.4GHz Omni-Directional Outdoor Antenna

ANT24-0800

SPECIFICATIONS

Electrical Specifications

Frequency Range

- 2.4 -2.5GHz

Gain

- 8dBi

VSWR

- 2:0 Max

Polarization

- Linear, vertical

HPBW

- Horizontal - 360°
- Vertical - 15°

Power Handling

- 50W (cw)

Impedance

- 50 Ohms

Connector

- N-Jack female

Cable Length

- 0.5 meters

Environmental & Mechanical Characteristics

Temperature

- -40°F to 176°F (-40°C to 80°C)

Humidity

- 100% @ 77°F (25°C)

Lightning Protection

- DC ground

Radome Color

- Gray-white

Radome Material

- Fiberglass

Radiator Material

- Micro Striple line

Antenna Kit Weight

- 360g without joint

Dimensions

- 24.80" x 0.75" (630mm x 19mm)

Survival Wind Speed

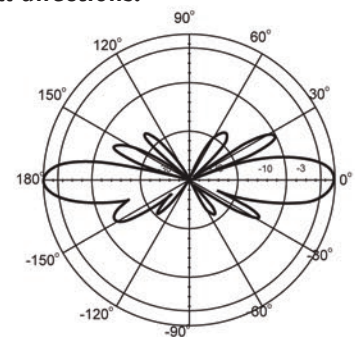

- 112 miles/hr (180 km/hr)

Warranty

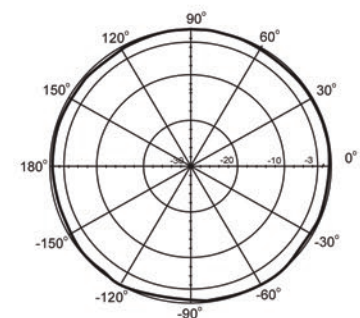

- 1-Year Limited¹

Add the ANT24-0800 to your 802.11b/g wireless PCI Adapter, Router or Access point for additional wireless coverage in all directions.

Vertical

Horizontal

¹ 1-Year Limited warranty available only in the U.S.A and Canada.
