

End of Support Notice

DAP-1610 - AC1200 Wi-Fi Range Extender

January 10, 2020

As of February 1, 2020, all versions of this product model will reach its End of Support (EoS).

After the End of Support date:

- This model will not receive firmware updates, it will not receive device software updates, and it will not receive technical support.
- This model's support information will be archived at <https://legacy.us.dlink.com>.
- We recommend retiring these products and replace them with products that receive firmware and device software updates.
