

# End of Support Notice

## DAP-1665 - Wireless AC1200 Dual Band Access Point

**June 1, 2021**

As of January 1, 2021, revision Ax of this product model has reached its End of Support (EoS).

After the End of Support date:

- This model will not receive firmware updates, it will not receive device software updates, and it will not receive technical support.
- This model's support information will be archived at <https://legacy.us.dlink.com>.
- We recommend retiring these products and replace them with products that receive firmware and device software updates.
