

End of Support Notice

DCS-4618EK – Vigilance Camera

August 1, 2023

On October 31, 2023, all revisions of this product model will reach its End of Support (EoS).

After the End of Support date:

- This model will not receive firmware updates, it will not receive device software updates, and it will not receive technical support.
- This model's support information will be archived at <https://legacy.us.dlink.com>.
- We recommend retiring these products and replace them with products that receive firmware and device software updates.
