

## End of Support Notice

### DCS-6510 - 10/100 Vandal-Proof Fixed Dome IP Network Camera

**June 30, 2020**

As of December 15, 2019, all revisions of this product model have reached its End of Support (EoS).

After the End of Support date:

- This model will not receive firmware updates, it will not receive device software updates, and it will not receive technical support.
  - This model's support information will be archived at <https://legacy.us.dlink.com>.
  - We recommend retiring these products and replace them with products that receive firmware and device software updates.
-
