

End of Support Notice

DCS-6616 - 12X Speed Dome Network Camera

January 10, 2020

As of December 15, 2019, all versions of this product model have reached its End of Support (EoS).

After the End of Support date:

- This model will not receive firmware updates, it will not receive device software updates, and it will not receive technical support.
 - This model's support information will be archived at <https://legacy.us.dlink.com>.
 - We recommend retiring these products and replace them with products that receive firmware and device software updates.
-
