

## **End of Service Life Announcement**

### **DCS-6915 - 20x Full HD High Speed Dome IP Camera**

On December 15, 2019, your product will reach its End of Service (EoS) time and will no longer receive support from D-Link, including but not limited to firmware upgrades, security or bug fixes, or other hardware or software support. All documentation for your product after the EoS Date will be found at <https://legacy.us.dlink.com/>. This legacy site is an archive for products that no longer have customer support or software development.

Please consider replacing your device with a supported product. Use of products after end of service is at customer's risk.
