

End of Support Notice

DCS-935L - HD Day & Night Wi-Fi Camera

June 8, 2020

On August 7, 2020, all revisions of this product model will reach its End of Support (EoS).

After the End of Support date:

- This model will not receive firmware updates, it will not receive device software updates, and it will not receive technical support.
 - This model's support information will be archived at <https://legacy.us.dlink.com>.
 - We recommend retiring these products and replace them with products that receive firmware and device software updates.
-
