

# End of Support Notice

## DPH-701AV - PowerLine AV2 2000 Gigabit Network Extender Kit

**August 1, 2021**

On September 30, 2021, all revisions of this product model will reach its End of Support (EoS).

After the End of Support date:

- This model will not receive firmware updates, it will not receive device software updates, and it will not receive technical support.
- This model's support information will be archived at <https://legacy.us.dlink.com>.
- We recommend retiring these products and replace them with products that receive firmware and device software updates.
