

End of Support Notice

DIR-640L - Wireless N300 SOHO VPN Router

June 30, 2019

As of August 31, 2019, all revisions of this product model have reached its End of Support (EoS).

After the End of Support date:

- This model will not receive firmware updates, it will not receive device software updates, and it will not receive technical support.
 - This model's support information will be archived at <https://legacy.us.dlink.com>.
 - We recommend retiring these products and replace them with products that receive firmware and device software updates.
-
