Personal Air™ *Bluetooth Streaming Media* **Stereo Adapter Kit**

Introducing D-Link's audio streaming media family of products powered by Bluetooth technology. Access, play, and experience your digital music without the wires.

Wirelessly stream audio content to your speakers with the DSM-910BT Bluetooth Stereo Adapter Kit. Everything needed to get you started is included in this kit. The DSM-910BT includes both the DSM-100BT Bluetooth Speaker Adapter and the DSM-110BT Bluetooth Stereo Adapter.

The DSM-110BT is a Bluetooth Stereo Adapter for your CD player, boom box, personal MP3 player, or any audio player device or stereo. Audio cables are included for you to connect the DSM-110BT directly to your audio player or stereo to stream audio content to your Bluetooth-enabled speakers.

The DSM-100BT is a Bluetooth Speaker adapter that adds wireless Bluetooth connectivity to your speakers. The DSM-100BT features a standard audio jack that connects quickly and simply to powered speakers or standard PC speakers. With your Bluetooth speakers enabled, and listen to your music collection anywhere in your home, wirelessly.

The DSM-910BT streaming audio kit gives you the freedom and flexibility to place your speakers anywhere and listen to music from virtually any audio player. The DSM-910BT features plug and play simplicity for a seamless audio multimedia experience.

Spread Spectrum (FHSS)

RF Frequency

- 2400Mhz – 2483.5MHz
USA/ Europe/Japan
- 2446.5Mhz – 2483.5MHz
France

Transmission Output Power

1dBm

Receiving Sensitivity

-82dBm

Antenna

1dBi External Dipole Antenna

Operation Range

- 10m (Typical)
- Up to 30m (Maximum)

Compliances

FCC
CE

Power

- 5V DC $\pm 10\%$
- 5V power adapter
included

Power Consumption

- Max 120mA Tx
- Max 100mA Rx

LED Indicators

- Power
- Link

Interface

- 3.5mm Audio In Jack
- 3.5mm Audio Out Jack

Operating Temperature

0°C to 55°C

Storage Temperature

-20°C to 75°C

Dimensions

- 3.5 X 3.25 X 1.5 inches

Warranty

1 Year

Maximum wireless signal rate based on Bluetooth Specification v1.1. Actual data throughput will vary. Network conditions and environmental factors, including volume of network traffic, building materials and construction, and network overhead, lower actual data throughput rate.

DSM-910BT

Stream digital music from your audio player to your speakers.
