

End of Support Notice

DWL-6600AP - Unified 802.11n Dual Band Access Point

July 19, 2021

On August 31, 2021, all revisions of this product model will reach its End of Support (EoS).

After the End of Support date:

- This model will not receive firmware updates, it will not receive device software updates, and it will not receive technical support.
- This model's support information will be archived at <https://legacy.us.dlink.com>.
- We recommend retiring these products and replace them with products that receive firmware and device software updates.
