

End of Support Notice

DXS-3227 - xStack Managed 24-Port Gigabit Stackable L2+ Switch

January 1, 2017

As of May 31, 2016, all revisions of this product model have reached its End of Support (EoS).

After the End of Support date:

- This model will not receive firmware updates, it will not receive device software updates, and it will not receive technical support.
 - This model's support information will be archived at <https://legacy.us.dlink.com>.
 - We recommend retiring these products and replace them with products that receive firmware and device software updates.
-
