

End of Support Notice

DCS-6212L - Full HD Outdoor PoE Mini Dome Camera

April 15, 2020

On June 30, 2020, all versions of this product model will reach its End of Support (EoS).

After the End of Support date:

- This model will not receive firmware updates, it will not receive device software updates, and it will not receive technical support.
 - This model's support information will be archived at <https://legacy.us.dlink.com>.
 - We recommend retiring these products and replace them with products that receive firmware and device software updates.
-
