

## End of Support Notice

### DCS-7110 - 2MP Outdoor Day/Night IP Camera

**April 15, 2020**

On June 30, 2020, all versions of this product model will reach its End of Support (EoS).

After the End of Support date:

- This model will not receive firmware updates, it will not receive device software updates, and it will not receive technical support.
  - This model's support information will be archived at <https://legacy.us.dlink.com>.
  - We recommend retiring these products and replace them with products that receive firmware and device software updates.
-
