

## End of Support Notice

### **DPH-P621AV - PowerLine AV2 2000 Gigabit Passthrough Starter Kit**

**November 16, 2023**

On January 15, 2024, all revisions of this product model will reach its End of Support (EoS).

After the End of Support date:

- This model will not receive firmware updates, it will not receive device software updates, and it will not receive technical support.
- This model's support information will be archived at <https://legacy.us.dlink.com>.
- We recommend retiring these products and replace them with products that receive firmware and device software updates.
