

End of Support Notice

DPH-P701AV - PowerLine AV2 2000 Gigabit Passthrough Starter Kit

August 1, 2021

On September 30, 2021, all revisions of this product model will reach its End of Support (EoS).

After the End of Support date:

- This model will not receive firmware updates, it will not receive device software updates, and it will not receive technical support.
- This model's support information will be archived at <https://legacy.us.dlink.com>.
- We recommend retiring these products and replace them with products that receive firmware and device software updates.
