

End of Support Notice

DNR-322L - mydlink Network Video Recorder

October 1, 2021

On November 30, 2021, all revisions of this product model will reach its End of Support (EoS).

After the End of Support date:

- This model will not receive firmware updates, it will not receive device software updates, and it will not receive technical support.
 - This model's support information will be archived at <https://legacy.us.dlink.com>.
 - We recommend retiring these products and replace them with products that receive firmware and device software updates.
-
